HOT SEX NEWS

LICK THE BALL

Soccer prides itself on being "the beautiful game." Which is really just a euphemism for "the boring game."

We all know rugby league is the beautiful game, and if there *was* anything beautiful about soccer, well, they wouldn't need to hype it as such. It'd be self-evident, right?

But now our world's been flipped upside down, cos here's a DVD from Private, *Soccer Girls*, that really does make the sport look beautiful.

An achievement made possible by banging Cristina Bella (opposite) in the arse in the locker room.

NZX #32: JUST A QUICK WORD...

Jingle fucking bells, it's Xmas time again! And this month's issue is packed tighter than Santa's nutsack.

With the weather warming up, we're heading outside for our photoshoots, and that's where you'll find our new kiwi covergirl, Katana.

Then it's on to Piha where

Surhey returns to sun herself and show herself. Then back inside for another new kiwigirl, Auckland chick Madison.

We also wish to thank all our readers for your support this year. We'll see you again in 2005 with loads more keen kiwigirls getting naked like you want 'em to... — Andrew X

PRINCESS BLADE

KIWIGIRL FILES

Name: KATANA

Age: 19

From: AUCKLAND

Hi Katana. Tell us about you.

I'm 19. I'm half-Maori, half-Swedish. I work as a store manager in Auckland.

And you have a big sword.

Yeah, that's something different! Same reason I'm doing the photos — for a different experience.

Good. You only live once. What's your favourite sexual experience?

I love receiving oral while my nipples are being tweaked.

Nice. What about position?

Butterfly — legs over shoulders.

Do you masturbate?

Two or three times a week. I rub my clit with a tinge of fingering.

Did you shave your pubes off with the sword?

No! I wouldn't want cuts down there...

MAD 4 IT

KIWIGIRL FILES

Name: MADISON

Age: 18

From: WEST AUCKLAND

Hi Madison. What brings you to NZX?

My friend Candy did some pics for you. I asked her about it and she had a great time, so I thought I'd try.

And did you have a great time?

I had heaps of fun. I've wanted to do nude photos for ages. I've always looked at girls in mags and thought, that's what I wanna do.

Be naked?

Yeah. I did it for me, for the thrill and the experience. You only live once, so you gotta go hard.

Funny you should say that.

What? Oh, going hard. Haha!

We take it you enjoy a hard cock?

You know, so far I've only been with one guy ever. I'm not loose. But somedays I do get horny and think, wow, I'd like to see every cock in the world. And suck them all off!

PRESIDENT GEORGE W. BUSH DELIVERS STATE OF THE UNION ADDRESS WITH HIS COCK OUT; PLEADS WITH NATION TO SUCK IT. (PLUS PARIS: STILL A HO)

THE NEW PARIS HILTON VIDEO: A JIZ-PACKED JAMBOREE OF ANAL LOVE!!!

LAS VEGAS — Ho, Hotel heiress and suckaholic PARIS HILTON is facing another round of self-imposed public "humiliation" — her ex-boyfriend Rick Salomon plans to release another DVD of the pair having sex. This time ALL ANAL.

Salomon, ex-husband of actress SHANNEN DOHERTY, is reportedly preparing to release a two-part DVD of their sex antics shot several years ago when they were in their "experimental" ass love "phase."

Unlike the first sex DVD, however, which initially rose to popularity on the Internet, Hilton will not receive any money from the profits. That's where the humiliation part comes in, we guess.

When notified of the pending airing of her anal antics, Hilton said "Ewww! He's disgusting," in the clearest cut case of The Pot-Kettle Paradigm. "I would not talk to him if you paid me a billion dollars. Which was incidentally my cut from the last video."

RENEE ZELLWEGER IN VAIN SEARCH FOR MISSING KNOBS

HOLLYWOOD — Movie beauty and heroin achiever RENEE ZELLWEGER is thrilled she's lost the weight she gained for her latest movie we will never see unless she sucks some cock in it: *Bridget Jones: The Edge of Reason*, but she misses her large breasts. That is, her big giant tay tays.

The sexy actress piled on the pounds to play the romantic comedy's curvaceous heroine, but now she's returned to her naturally slender shape, she's realised how small her cups are.

She complains, "I'm a little girl. It was a sad day when I had to retire my C-cup to the drawer, but it wasn't

George W. Bush's reelection to the Whitehouse.

"Dear fellow American citizens. I'd like to take this moment to do a little ol' fashioned bended knee truth tellin'. Yes, I lied about the WMDs. I mean at first it wasn't a lie because I thought that it was a pizza topping. But after they explained it to me, yeah, I lied about it. And my draft dodging. And my coke snorting. And yeah, Daddy DID get me into Yale. And yeah I DO hate Nigras. Unless they're singing.

"Anyways my point is this: you all should put those earthworms you call lips together and then whistle them right around my nanny flute

because I felt pressure to be a certain weight in Hollywood, or anything like that." Oh nooooo.... nothing like that.

Whatever. Show us your fucking tits. We mean, thanks for the interview.

"I SPEAK TO AMERICA WHEN I SAY... BLOW ME."

WASHINGTON, D.C. — The State of the Union address, in its entirety, is reprinted here on the occasion of

because I... don't... give... a... fuck. That's right, fuck you. And good night."

AND LAST BUT NOT LEAST: THE NZX QUIZ!!!!

Question: What drug would have you soooooo fucking zooted that you'd be naked and not know it? Answer: TARA REID. That is, correct, sir.

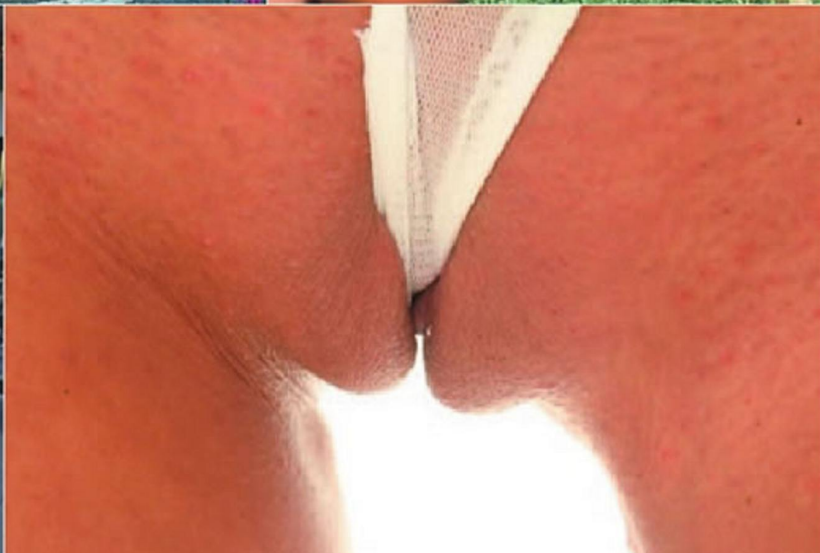

WEIRD WORLD

Time for more naughty nonsense from the netknob starting with, at right, a chick waiting for the bus. In the nude. At least for a quick flash. And only the lady on the far right got her eyes on the prize...

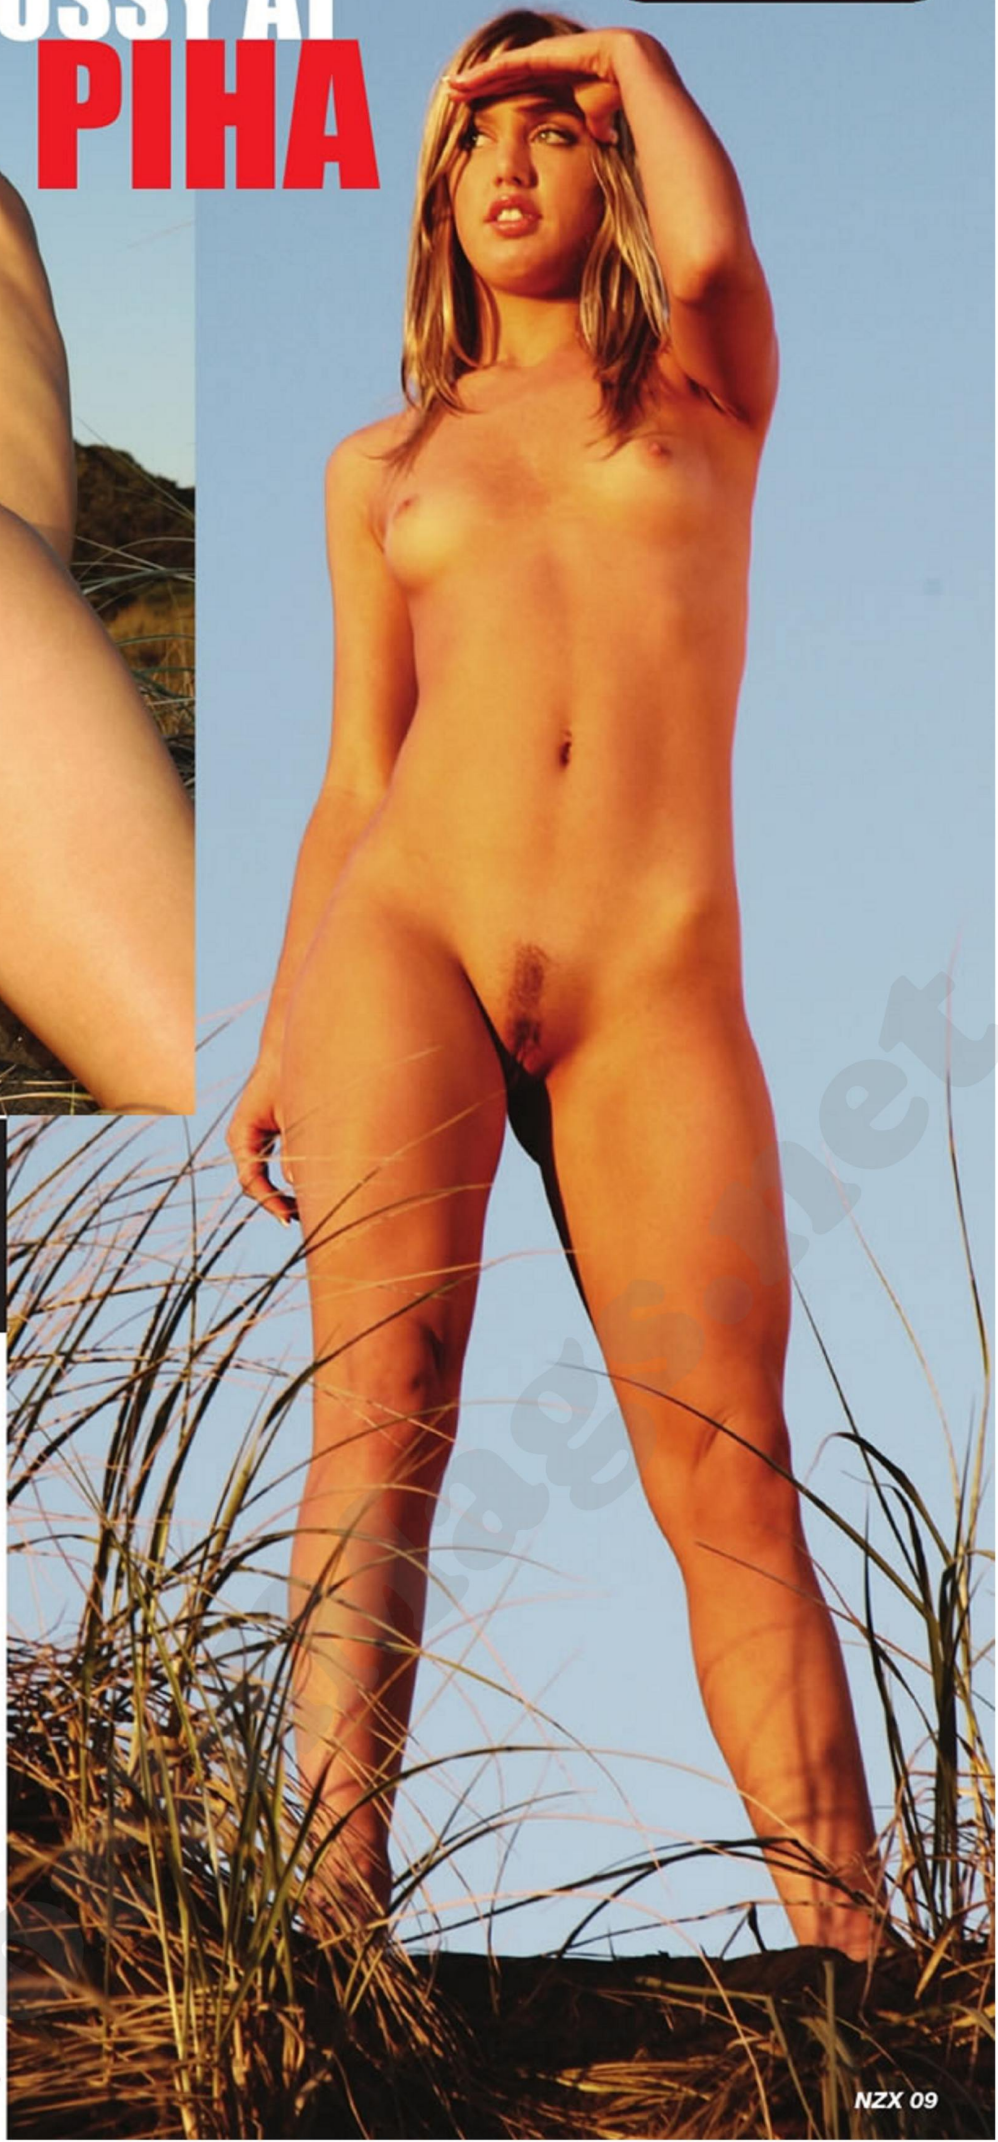

In the middle row of pics, left to right and all upside down: 1) Nautica Thorn gets a rimjob. 2) The blood rushes to her head and our cocks. 3) Anal piledriver!

The bottom row: 1) Strolling through the city shopping streets, that rarest of sights, a woman without a handbag! 2) Extreme camel toe.

PUSSY AT PIHA

HOT SEX NEWS

KIWIGIRL FILES

Name: SURHEY

Age: 19

From: CHRISTCHURCH

Hey Surhey. Tell us about your new photo shoot for NZX.

We did it at Piha. I loved being naked outdoors. I'm a beach girl so I can't wait for summer so I can take my top off and get an all-over tan.

You'll have to take your bottoms off as well.

I'll do that. I love to do that. You gotta be at a beach where other people won't mind.

Ignore the wowzers. Do you surf?

I bodysurf. I'm good at that.

Everyone's good at that. Except us.

We sink cos our cocks are too heavy.

Sure, whatever you say!

Hmmph. Did you have your trusty vibrator with you at Piha?

I had to make do with my fingers. They tasted real good afterwards...

A CHINESE NATIONAL TRAGEDY: POLICE APATHY

A frustrated husband in China dialed 911 when his wife refused to have sex with him. He told an emergency operator he needed police assistance because it had been 28 days since his wife had slept with him. Police, however, declined his pleas for them to persuade the woman to have sex with

him, according to the *Dahe Daily* newspaper in China's central Henan province. The husband was in an amorous mood after drinking a bottle of wine but failed in his noble attempts to lure his wife to bed, the newspaper said.

NZX BIDNESSMAN OF THE YEAR AWARD GOES TO...

Everyone has seen the playful sign or t-shirt that says "Will work for sex," but there's actually a guy in New York doing it. The 34-year-old systems engineer, who goes by "Ray Digerati," fixes computers in exchange for sex. Digerati says he came up with the idea while helping a female friend and wondered if he could get sex in exchange for his time. Digerati says he leaves the payment amount up to the client, but he thinks one orgasm for every two hours of work is fair.

HOW TO SPOT A GAY: WAY #3

Natalie Portman has revealed she asked Mike Nichols, the director of her upcoming movie *Closer*, to cut out the nude scenes of her. Portman, 23, plays a stripper in the movie and filmed scenes featuring her romping nude in a topless club. However, she said she became nervous about seeing the

footage on the big screen and asked Nichols to cut out the topless shots. Nichols, gay, apparently agreed.

DOLORIAN TO MILK A COW

Texan porn star Dolorian, who's already proven herself mad as a hatter at the Auckland Erotica Expo, will be the guest of honour at the inaugural Palmerston North Erotica-Lifestyles Expo. To be held March 11-13, 2005 at the Palmerston North Convention Centre, Dolorian will be running about naked. And she wants to milk your cow. Yes, that sentence IS correct. Turn to page 36 for the details...

MAD HORNY LETTERS

Readers! Post your shaky-handed scribblings to The Editor, NZX, PO Box 28-051, Remuera, Auckland, or email editor@nzxmag.co.nz

wear them everywhere instead of just in clubs. Often I'll go out without panties and it's so funny to see guys' eyes bulge when they see something they shouldn't. Of course, silly me, sometimes I forget what I'm not wearing and flash guys when I don't mean to.

you're fantastic!
Nizma Fan, Auckland.

LUCKY BASTARDS

Damn what a hottie kiwigirl Lena is! The way she showed off her outstanding body really got me going strong in the tossing off department. Good on you for making Trinity the NZX Fox of the Year. Damn good choice; I must agree. Any more photos of Elizabeth the NZX readergirl? I wouldn't mind tossing off to those.
Stephen, Tauranga.

TEEN PUSSY

Damn. Good to see some Asian hoes all up in NZX. Liked looking at Nizma. I'd add her to my stable. And how 'bout that Candy? That's some fresh teen pussy if ever I've seen some fresh teen pussy.
Snoop, Manukau.

KNICKERLESS

Hi again. Just wanted to say thanks to NZX reader Claire. I got a great look at your nicely trimmed pussy under your denim mini at Mission Bay last weekend. (I don't think your boyfriend noticed.) Girls keep those emails cuming, love spotting the pussy under the skirts in public. Zina email me so I can spot you in that yellow swimsuit or when you're out and about knickerless. My address zeroknickers@hotmail.com.

I have sent you some photos of me and a friend fucking our brains out. He is my husband's mate so please don't show the ring on my finger. I really want to see these photos in NZX. If you publish these, we will send some more. We love your mag here in the South.

Debbie, South Island.

Debbie, along with fellow readergirls Chrisie and Wendy can be seen in the next issue, due January 31, 2005.

NEED TO TOUCH MYSELF

I read on your letters page about some guys liking to see girls in short skirts. I want to share with them that I am a girl, 23, who likes short skirts. I buy the very shortest ones in Hotline and now that it's getting hotter, I'll get to

That probably happens more than I know haha! Hey, I'm hot now and need to touch myself!
Sally, Greenlane.

JERKED OUT

Thank you NZX! I loved the pictorial with Nizma and her smooth, shaven mound. I checked the website she mentioned in her interview and couldn't believe it! I was so excited that she was available to meet readers. I got hard and jerked out another load. The next day I went to see her and she was just like the pictures! What a goooooooooood time. Thanks Nizma,

Coral HONEYMOON

Filmed in, on, and around the Caribbean islands of St. Martin and Martinique, *Coral Honeymoon* is another installment in Private's sun-drenched Tropical series.

Though, curiously, this one has a couple scenes shot in overcast weather; first time the sun-Gods haven't smiled upon the porn.

Opening scene's a cracker. Elena has floppy tits which go floppity-flippity-flop like floppy tits do when she gets flipped in the booty. It's a fine sight to behold. Or hold your cock to.

Jennifer Dark, Rita Neri, Viktorie, and Donna Marie complete the cast and there's action on the beach (above), a hillside overlooking a bay (right), and on a boat (opposite), with cum (and boobs) flying about.

THE COCK MILKER

Dolorian (left) with Kylie Ireland and a very distinctive cock in need of milking.

Be they young (left, with a finger straying toward Uranus) or old (above, just happy his fingers still have feeling), Dolorian pleased all at the 2004 Erotica Expo in Auckland. She'll be doing the same in Palmerston North. Girls too!

A full-page photograph of a woman with long blonde hair, smiling and posing for a photo. She is nude, wearing a silver chain necklace with a circular pendant, a silver ring on her left hand, and a silver bracelet on her right wrist. She is lying on a dark surface, with a man's legs and hands visible. A large circular inset in the top left corner provides a close-up view of the woman's genital area, showing her labia and clitoris. The background is a dark blue or purple curtain.

MADISON

Kiwigirl Madison is 18 and
lives in West Auckland.

MILE HIGH

We're in an aeroplane, going across the ocean. The flight is not full, so we've got a row of five seats to ourselves in the middle of the economy section of the Boeing 777. As usual, it's an overnight flight, so after the movies and the meal service end, the lights are turned down and most of the passengers are asleep.

We changed into our travel clothes before we boarded the plane; each of us are wearing sports pants with zippers down the sides of each leg, and they're very loose fitting and comfortable. It's cool on the plane and we've covered ourselves with the blankets, and have lifted the arms between the separate seats for more room and comfort.

We are in each other's arms, enjoying the closeness. Your head is in my lap, and you're lying on your left side. I slip the side zipper of your pants down to your leg, and I can reach your soft, warm pussy. You feel good to my fingers. You left your panties off when you changed clothes; I am a bit surprised but very pleased.

You smell wonderful, and you relax as I caress your lips with my fingers. It's my turn to quietly pleasure you and with the dark silence onboard, I slip my other hand under your shirt to discover your nipples are hard already. I pinch lightly, and you moan with soft pleasure. The warmth of your body is heating me up, and my cock is rising very quickly.

Your clit is erect, and I can feel it with my probing finger in your pussy. I flick it lightly with my finger and you jump slightly with each quick touch.

You are getting very wet, I think, and the smell of your sex is rising to my nose. You whisper that you're concerned about the other passengers noticing what we're doing for each other, but I quiet you down by saying that if they notice, they will simply be jealous. Let them watch and learn!

I can get two fingers into your pussy, but from this angle I can't get to your G-spot. Your own hand joins mine and you can rub at a different angle. The darkness and the blanket hide your movements, although you are gasping for breath as together we bring you toward an orgasm. I rub your nipples as you rub your cunt, and your hips are beginning to shake with the coming orgasm.

Your breath is ragged, and suddenly you shudder with that wonderful experience. You're having trouble

restraining your vocalising, but you can't hold it all back...

You make a quick, short noise that clearly tells me that you've cum hard. I kiss you deeply to muffle the sound. Your tongue reaches for mine, and we continue to rub you as we kiss for a few seconds. You cum again, quickly, and this time silently.

You relax, and I leave my hand on your breasts. Those lovely pink nipples are not where I can see them, but I can feel that they are hard and erect. You purr and cuddle into my lap as you lightly touch your freshly shaven pussy. You bring some of your juices to my mouth with your fingers, and I suck them into my mouth, to enjoy the taste.

Suddenly, the cabin lights turn on, and the crew pushes the breakfast cart down the aisle. I quickly and quietly zip you up and pull your shirt down over your body again. You slip out from under the blanket and down the aisle to the restroom. I wait a second or two to allow my cock to soften, and I follow you to the restroom area.

There is no line, and you've left the door unlocked, so I slip into the same restroom with you. We are hot, and hold each other frantically as we reach for the

zippers on each other's pants. The clothes drop and I lift your shirt over your head.

Your gorgeous body is nude for me to see and I drop to my knees on the toilet as you lean back on the sink. I can lick your pussy and clit now, and you are still wet from your orgasms. You taste like a fresh flower smells. Yummy.

We can't wait any more, and you turn to bend over the sink.

I place my cockhead against your pussy from behind and sink it deep into you. We fuck hard and fast, and I cum almost immediately into your cunt. You shudder through another orgasm, and I rub your clit to help that reaction. We separate, and I wipe you dry.

Quickly, we pull our pants up and zip

the side zippers; your shirt goes back on; and we open the door. Now there's a short line of people who are wanting to freshen up before breakfast. We grin at the flight attendant who notices that we both come out from the same restroom, and she smiles back, knowing what we've just done. It was wonderful. •

ASK VINNIE!

www.skullgame.com

Vinnie Rose is the NZX advice columnist. A former writer for *Hustler* and *GQ*, and proprietor of www.skullgame.com, Vinnie will answer all your sex questions. Write c/o editor@nzxmag.co.nz.

TICKLE YOUR FUCKING ASS WITH A GODDAMNED FEATHER?

Yo Vinnie,

I was just with this woman and in the heat of passion she asked me to talk dirty to her. I mean I always thought I was like an adventurous man but I was surprised at how half-hearted words like "slut" and "bitch" suddenly sounded coming out of my mouth. It was so bad that I don't even want to try it again so as to get better at it. Solutions? — Kisses Mother With This Mouth (by email)

Dear Norman Bates: You are in the shit, my friend. Because while a skill like sucking cock is exactly that: a skill. That is, a series of techniques that when melded with some sort of core competencies is conceivably something one could get better at. Turning the

scalpel of Verbal Abuse (VA) into a toy to be used in the throes of passion is not something that will be for everyone. Not without someone starting to laugh. I remember I was fucking this bald-headed German broad once. She told me in no uncertain terms,

"Call me a whore."

And I said, "Funny, that's just what I was thinking."

And she said, "What? Of calling me a whore? Or that I was a whore?"

"Whatever."

And so that's my point. Oh. Wait. That's not my point. My point was that when I said "you dirty fucking piece of shit..." and she started writhing on the bed like my cock was about 30 feet long I quickly learned to get over what felt like the ridiculousness of "fake name calling" and got the fuck into it. And you should do the same as the broad you're with will either turn the fuck ON, in which case, you're jake. Or she will start crying and ask you to leave. In either case your problems are solved.

You filthy motherfucker, you.

ROCKET SCIENCE 101: HOW TO SEND A LOAD INTO ORBIT

Yo Vinnie,

My girl gives head really badly. AND she gets really touchy if I try to tell her one thing or another about doing it right. How to fix it? And don't tell me to let you have her for a few hours. I'm serious. — Sucking, Not Blowing (by email)

Dear Sucky: ANOTHER bad head letter? Jesus Christ. Is there some sort of anti-cock epidemic going on in the world these days? OK. LOOK, goddamnit, a mouth is a hole. A cavity. An empty space around which you will find a bunch of teeth, you hope, and a wonderful love-giving, load-loving tongue.

So while there's this fiction that it's allllll about what the mouth does we really know it's much more than that. It's the hands, the brio with which the

cock is attacked and most importantly: what YOU do with it.

And what you should be doing with it? Fucking it up like it was RODNEY KING. Grab the chin and fuck it like you need to. Your cock will thank you. Your loads will thank you. And if your girl hasn't subsequently killed you or had you arrested, well, SHE is thanking you.

Good luck. Send more photos.

VINNIE? HER COOCH CAUGHT MY KEYS AND WON'T LET GO!!!

YO VINNIE,

I got this dick-shaped lube bottle stuck in a chick's vag one night. Ya know... usin' it like a dildo. Some kinda suction lock up or something. I soaked her in the tub, soaped it all up but still it wouldn't budge. I yanked on it until her eyes sucked in. It was like a boot stuck in a river of mud.

Finally I took her to the hospital, and she's walkin' around the waitin' room like a duck. Later on they had to cut the bottle up to get it freed up. As if this ain't all bad enuf, the nurses are all stink eyein' me, so I split and picked her up when they finished gettin' her unplugged.

Any suggestions so this don't happen again? I love stickin' stuff in holes so quittin' ain't an option. — Bad Otis (by email)

Otis, my man. Suggestions? Why yes. Try using something that has a little more give to it, something a little less odd-shaped, something a little bit more like, um, maybe, you know, YOUR FUCKING COCK!

What the hell's the matter with all these kids today??? What with the dildos and weirdos and what not. I'll tell you something O, I think we got ourselves a generation of men withOUT a fucking clue about what to use their cocks for. Well that's what NZX is for: we'll periodically remind you. COCK goes IN hole.

Alternate suggestions to tide you through that five minutes after you blow your load and are ready to go again:

- spatulas
- ice cream scoops
- screwdriver handles

Soccer GIRLS

Taking over an entire soccer stadium in Budapest to film this movie, Private's *Soccer Girls* is our DVD of the month.

Off-the-pitch action begins with an entire team of girls soaping themselves up in the showers — your eyes will want to linger here long after the movie's finished — before Cristina Bella lures the coach into a corner shower where he puts one between the goalposts. If by goalposts we mean her butt cheeks. And we do.

Monica Bellucci gets worked over on a massage table, before Lisa Sparkle and stunning newcomer Cindy Lords get double penetrated. A mini-orgy unfolds next (right) with three girls doing ass-to-mouth.

There's even some actual soccer with the porn stars playing. Best game of soccer we've ever seen!

WORLD WIDE WANK

OUR REGULAR TRAWL
THROUGH THE BEST SMUT
ON THE INTERKNOB.

Random images from the webnet,
clockwise from below:

1. When the dick's in her arse, she starts singing opera.
2. That really is the best place for a tattoo...
3. Jade Marcela lifts her skirt and reveals her smokin' pussy.

WET PANTIES!

Why did this girl wander into the water? To take a whizz? To tread on crabs? Or just to see what those tighty whities would look like if they got all wet? With a photographer present. Yep, that last one seems a likely story...

**WORK
IT**

More talk with American, half-Thai porn nutter Avena Lee.

Hey Avena. It's been at least six months since we had you in the mag. That's too long. Why so long? I come and beat you with my dildo.

We might like that.

Oh, you would. You're disgusting.

No, just misunderstood.

What part of wanting to fuck anything that moves is misunderstood?

Umm...

Hey, that's okay. My pussy's all wet now. My panties are gonna get all stained. I'll take them off...

SURPRISE I HAVE A COCK

Girls who do boys who do girls who do boys who... are both. **NZX** almost had a photoshoot with a kiwi, umm, girl, tranny. But she, we mean he, uhhh, she-he got shy at the last moment. So until such day that we do feature a local tranny, all of our, erm, "straight" readers who like to look at cock can, ahh, check out this website. Which has trannies who might confuse you in dim lighting, getting with girls who wouldn't confuse you in dim lighting.

www.androgeny.com

In the scant space of a few years, the camel toe has gone from cult to cultural phenomenon. There's songs on the radio, multiple websites dedicated to the subject, and we recently witnessed a particularly nasty one at St. Lukes shopping mall in Auckland. A 20-something lady seemingly oblivious to the havoc she was causing. In her pants... and ours.

CAMEL TOES

This one's almost too bizarre for words. Almost. And the sample pics here are only a warm up to the real action. Which starts when the women are lowered into tubs of water. In bondage gear. Where they wriggle around like Harry Houdini minus the cock. There's certainly a sinister tone to the proceedings, but we're assured it's all fun and games in the end. No one gets hurt, although everyone gets hosed.

TEEN DREAM

Do a google search for "hot nude girls" and you'll be sitting there for weeks thumbing through the results. And most of those results will suck. Your browser will crash, swamped under a myriad of pop-ups for sites that probably won't offer what they promise anyway. But sometimes you'll get lucky and see a hot 19-year-old like this one. And that random reward makes it worth it. Or you could be smarter and check out www.nzxmag.co.nz mmkay?

Theatre OF LUST

Movie: *Theatre of Lust*
(© Private).
Model: Julie Silver.
Scene: For a few dollars
more: anal reaming.

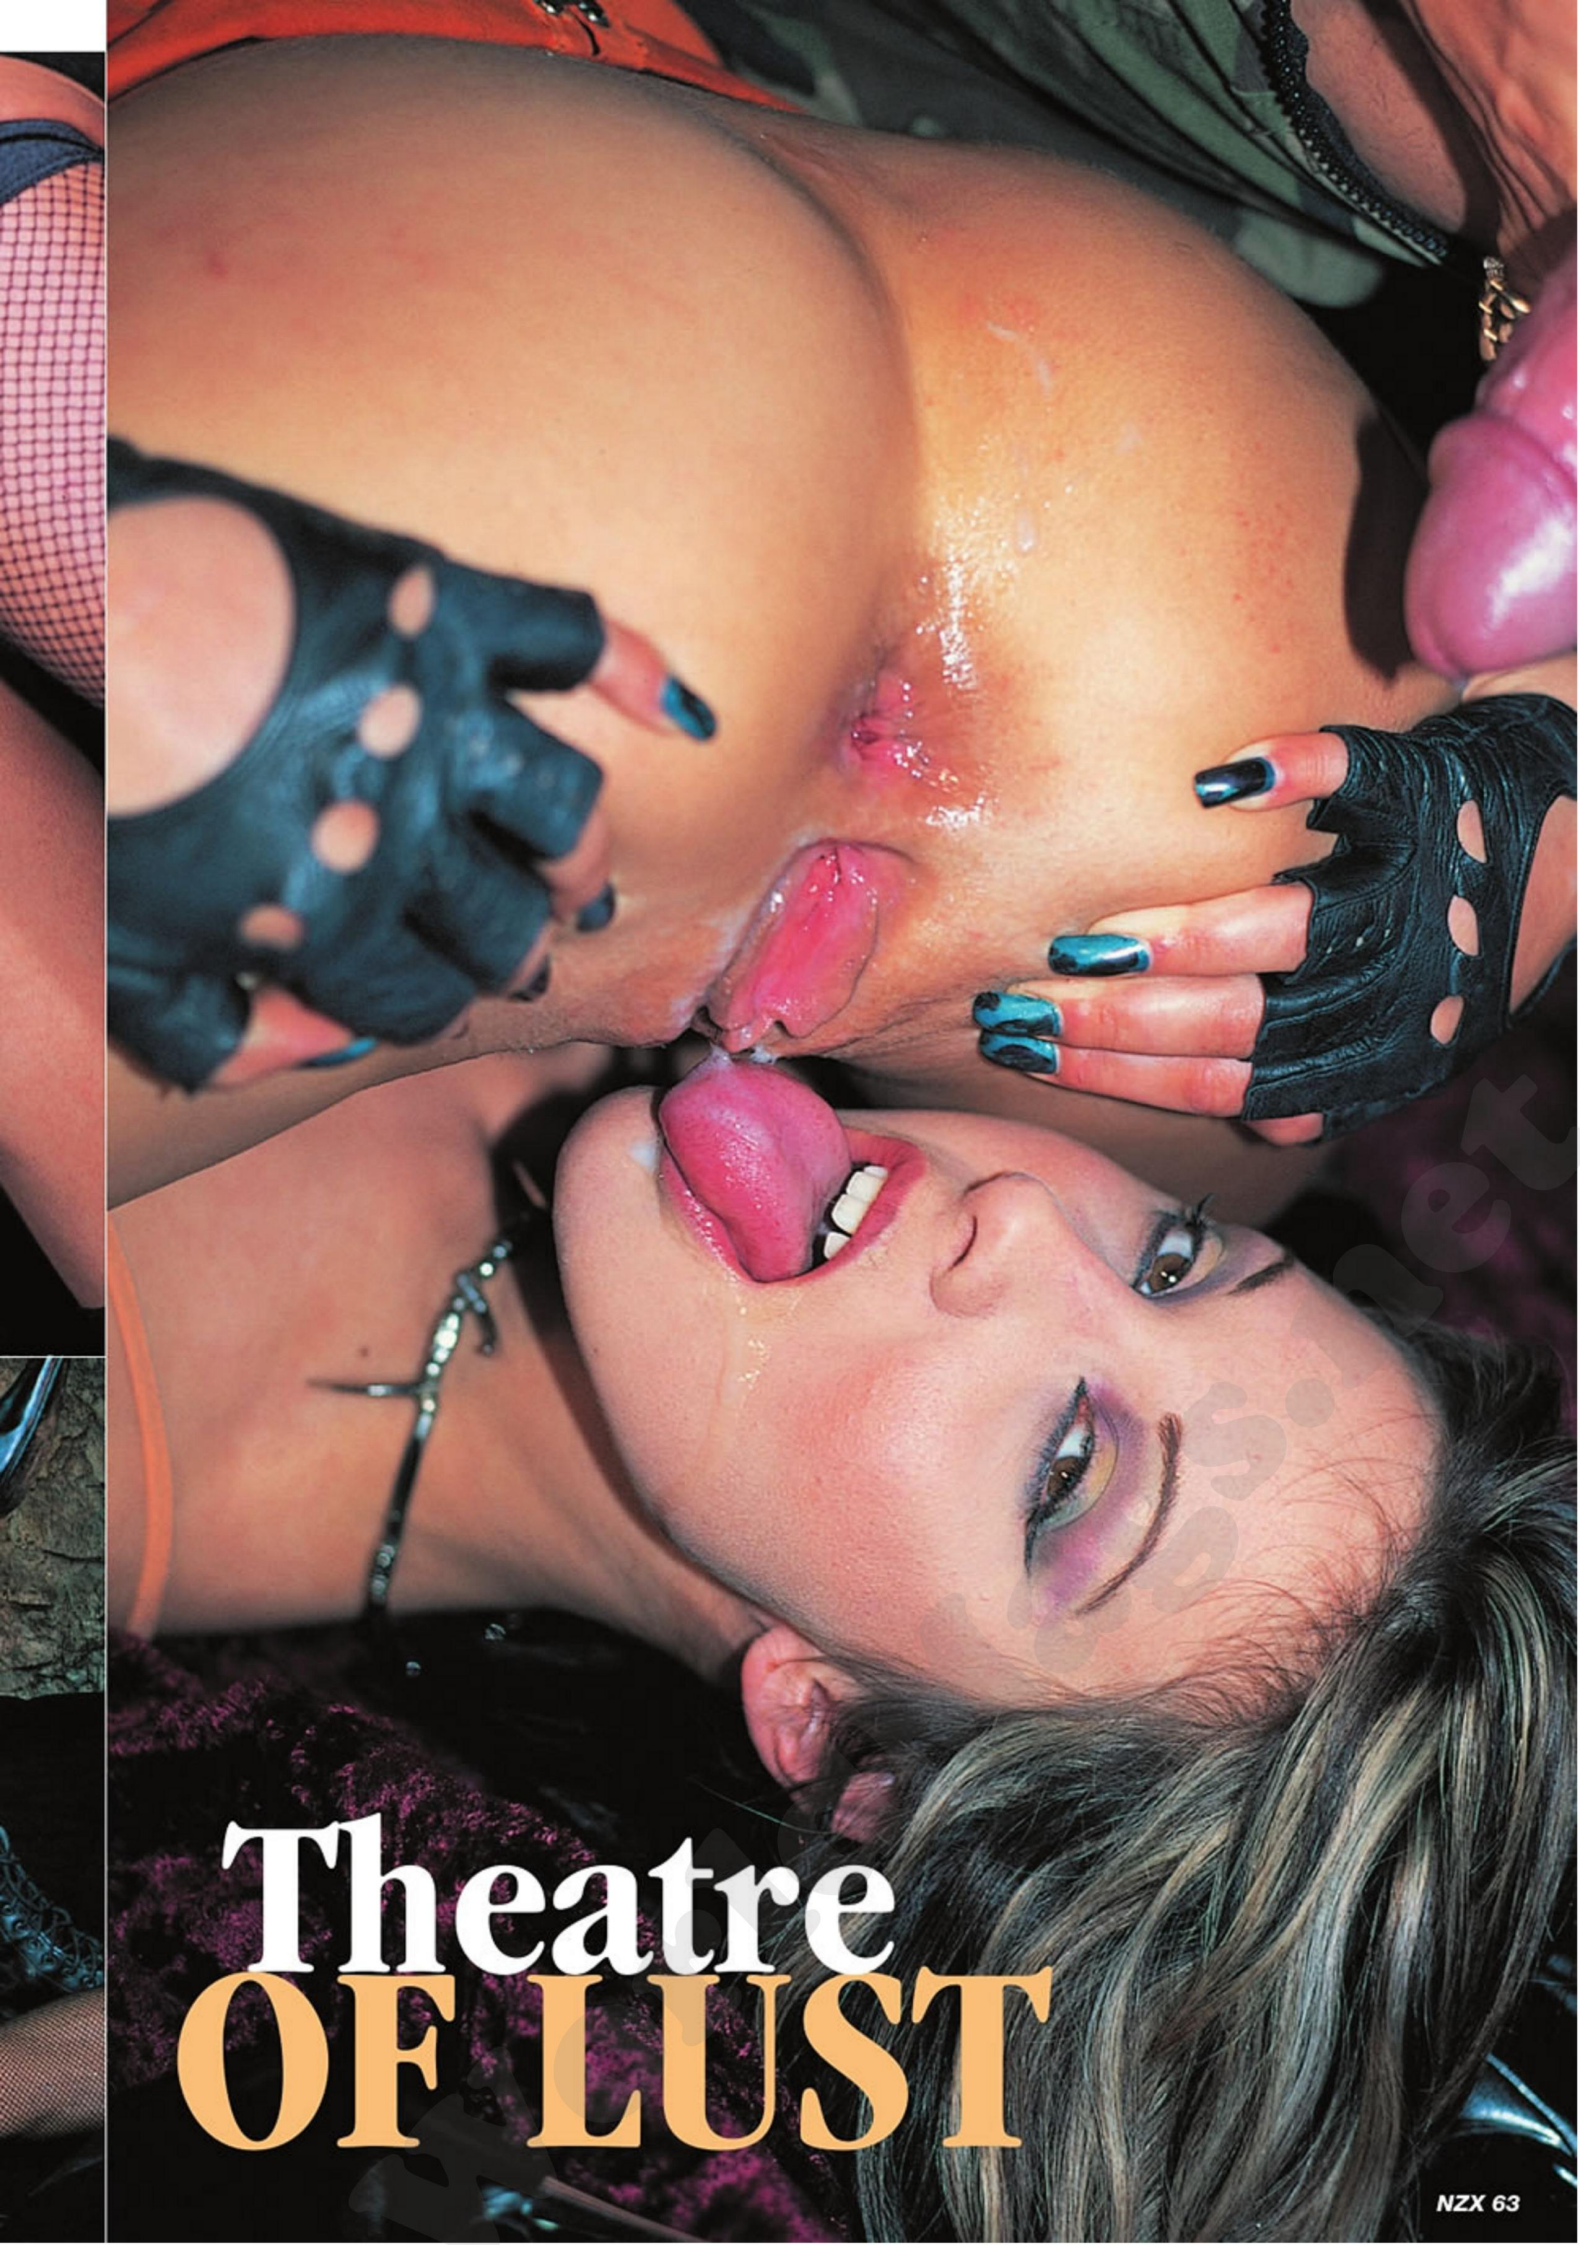

Here's another anal-centric fetish DVD from Private. *Theatre of Lust* is directed by Susi Medusa Gottardi, filmed in Budapest, and revolves around the exploits of some kind of demonic pimp.

Julie Silver, Jessica May, Rita Neri, Sandy Style, and Sunny comprise the cast, with each girl doing anal, some of them rimming each other, and Jessica even getting a dollop of man-doo on her tongue after it drops from within Julie's just-fucked arse (see opposite page).

The "making of" doco is worth watching, notably for a "fetish" activity which doesn't occur in the actual movie: the supremely hot Sandy Style attaches clothes-pegs to her labia.

JOKES!

A guy walks into the doctor's office. The doctor asks him what his problem is. Without saying a word the guy drops his pants. He has an orange penis. The doctor is dumbfounded. "I've never seen anything like this before" he says. Then he asks the patient, "Give me some background. Tell me about yourself, what do you do?" The patient replies, "Oh I don't do much. Mostly I just sit around the house watching porno movies and eating Burger Rings."

This guy enters a bar one night and ask the bartender for 10 shots of tequila. The bartender looks up and asks, "What's the occasion?" The man replies, "Well I'm celebrating." The barkeep asks, "Celebrating what?" "Well, I just got my first blow job." "Well, hell, let me buy you a shot on the house."

The man replies, "Thanks, if 10 shots don't get the taste out of my mouth, I don't what will."

After a night of drinking, Mr. O'Connell was driving home from the pub when he was

pulled over. The officer came up to the car and asked for his license and registration, which he gladly handed over.

"Mr. O'Connell, have you been out to the pub tonight?" the officer asked.

"Ay officer I have, I won't be lying to ya. I have been out to the pub tonight indeed," Mr. O'Connell responded.

"And did you have a bit much to drink tonight?"

"Ay officer, I suppose I did have a bit much to drink, yes. Is this why you went and pulled me over?"

"Well no, actually," the officer said in

wonder, "It's about your wife. After you took that last corner there, she fell right out of the car, she did."

"Oh, thank you for telling

me officer, I thought that I was going deaf."

A young hooker was talking to a seasoned pro. The young hooker asked the old pro if she'd ever been picked up by the fuzz. The old pro replied, "Nope, but I've been twirled around by my titties."
